The MACC is proud to present our annual fireworks celebration at Kollen Park on July 4. The fireworks display is a dazzling spectacle that captures the essence of celebration. Every year, on the Fourth of July, locals and visitors gather along the picturesque shores of Lake Macatawa to witness a breathtaking pyrotechnic performance. The night sky bursts with vibrant

colors, illuminating the water below and creating a mesmerizing reflection. The booming explosions fill the air, accompanied by cheers and applause from the enthralled crowd. Families spread out their blankets and picnic baskets, creating a sense of camaraderie and togetherness. Holland's fireworks showcase embodies the spirit of patriotism, unity, and the joy of shared experiences, leaving lasting memories in the hearts of all who attend.

As an annual service to the greater Holland/Zeeland metropolitan area, the MACC contracted with DLZ in May to perform traffic counts at over 50 locations throughout the area. The traffic count locations were selected by the MACC after receiving input from MDOT and our Technical Advisory Committee. Locations are screened to make sure they haven't been counted recently, and that the Allegan or Ottawa county road commissions did not count at the locations this year. Better coordination means more coverage. This year, we targeted the 120th/Waverly corridor. Twenty

percent of our traffic counts were conducted along this corridor. The MACC and its members will use the data to help plan for our region's future transportation needs. Generally, regional traffic counts have decreased, however, there were many locations around Holland Township, Zeeland Township, and Holland that have seen traffic increases. The busiest road counted was 120th Avenue south of Felch Street, which recorded an Annual Average Daily Traffic (AADT) of 18,248 vehicles.

Summer Concert Series

The Summer Concerts at Kollen Park are one of the most popular spots to be on Friday evenings in the summer in Holland. From 6:30 - 8:30 PM, the park comes alive with music and laughter. Bring your lawn chairs, blankets and a picnic basket and enjoy the sounds of summer. Each night of the series will feature a different artist or band as well as an exclusive food truck for the evening, so come hungry! Please have pets on a leash. Alcohol is prohibited at Kollen Park.
